RE: Certification of Non-use of polychlorinated biphenyls (PCBs)

To Whom It May Concern:

This letter affirms that TTM does not use PCBs in its manufacture of printed circuit boards to your specifications. This certification is based on information from TTM suppliers and applies to all ordered part numbers.

Please contact me if you have any questions at (715) 720-5399 or mcarey@ttmtech.com.

Sincerely,

Matt Carey
